TEXAS ONCOLOGY FOUNDATION PRESENTS
SURVIVE & THRIVE WEBINAR SERIES

EMBRACING LIFE after a cancer diagnosis

Connect with others whose lives have been affected by cancer

The Survive & Thrive Webinar Series focuses on survivorship skills and wellness issues for cancer survivors, loved ones and caregivers.

Webinar Speaker:

Tani Bahti, RN, CT, CHPN, has spent 43 years as a nurse focusing on improving end-of-life care. Recognizing how fear, misinformation and lack of information can negatively impact decision-making and the dying experience, she wrote and produced the award-winning video “Living Through Dying – The Struggle for Grace,” is the author of *Dying to Know – Straight Talk About Death & Dying* and the producer of the “Straight Talk Series on End of Life Issues.” A frequent speaker for professional and lay groups, Tani promotes clinical training programs for medical and nursing schools and hospice volunteers. She continues to expand her work through community collaboration and national consultation to seek ways to improve end-of-life education, thereby improving end-of-life care.
