

INTIMATE CONNECTION AT END OF LIFE

LIVE SESSION: TUESDAY, FEBRUARY 28 • 11:00AM (CST)

In this upcoming webinar we will discuss communicating about sexuality with terminal patients and the sexual functioning at end of life. Participants will explore the needs of a couple; emotional connection, communication and physical touch outside of sexual intercourse.

Francesca Caponi, LMSW, C-DBT

Licensed Medical Social Worker, Texas Oncology—Austin Midtown

Francesca Caponi is a licensed Master Social Worker who has worked in the social work profession for over seven years. Francesca holds specialized experience in the medical field, providing integrated behavioral health and psychosocial support for clinics and hospitals. Therapeutically, Francesca supports a range of mental health diagnosis associated with cancer including: depression, anxiety, intimacy, adjustment, and guilt; as well as help in navigating the complex resource needs patients might encounter in their treatment journey.
